

## Ruby master - Bug #10433

### make test-all stops at [ 401/16011] FTPTest#test\_list\_read\_timeout-exceeded

10/27/2014 08:57 AM - duerst (Martin Dürst)

<b>Status:</b>	Closed	
<b>Priority:</b>	Normal	
<b>Assignee:</b>	nobu (Nobuyoshi Nakada)	
<b>Target version:</b>		
<b>ruby -v:</b>	ruby 2.2.0dev (2014-10-26 trunk 48146) [x86_64-cygwin]	<b>Backport:</b> 2.0.0: UNKNOWN, 2.1: UNKNOWN

#### Description

When I execute  
make test-all  
it stops at

[ 401/16011] FTPTest#test\_list\_read\_timeout-exceeded

for at least an hour. Looking at TaskManager, it doesn't do anything (i.e. it is not in an endless loop).

I have to kill it, one Ctrl-C isn't enough, the second Ctrl-C produces the output below. The terminal then hangs and has to be killed from the outside.

[ 401/16011] FTPTest#test\_list\_read\_timeout\_exceeded = 3953.02 s

3) Failure:

FTPTest#test\_list\_read\_timeout\_exceeded [/cygdrive/c/Data/ruby-public/test/net/ftp/test\_ftp.rb:356]:

[Net::ReadTimeout] exception expected, not.

Class: [Errno::EPIPE](#)

Message: <"Broken pipe">

#### History

**#1 - 01/05/2018 09:01 PM - naruse (Yui NARUSE)**

- Target version deleted (2.2.0)

**#2 - 07/22/2019 10:12 PM - jeremyevans0 (Jeremy Evans)**

- Status changed from Open to Feedback

Martin, does this still occur on current Cygwin?
