

Ruby trunk - Feature #11538

ensure variable syntax

09/18/2015 03:16 PM - arimay (yasuhiro arima)

Status:	Feedback
Priority:	Normal
Assignee:	
Target version:	

Description

```
ensure  
rescue  
  
ensure '=>' lhs  
  
return  
ensure  
  
def abs( arg )  
  retval = nil  
  return  retval =  arg    if arg > 0  
  return  retval = -arg    if arg < 0  
  retval  
  
ensure  
  p  retval  
  
end  
  
ensure  
  
def bar( arg )  
  return  arg    if arg > 0  
  return -arg    if arg < 0  
  
ensure => retval  
  p  retval  
  
end  
  

```
