<b>Description</b> XMLRPC library is no longer maintain actively.  I removed broken parsers in Mar. 2016. This issue opend at 2014. No one handle between 2014 and 2016. <ul style="list-style-type: none"><li>• <a href="https://bugs.ruby-lang.org/issues/9370">https://bugs.ruby-lang.org/issues/9370</a></li><li>• <a href="https://bugs.ruby-lang.org/issues/9369">https://bugs.ruby-lang.org/issues/9369</a></li></ul> We could not handle this gem, I propose to move XMLRPC to bundled gem from stdlib.  I prepared to make repository ( <a href="http://github.com/hsbt/xmlrpc">http://github.com/hsbt/xmlrpc</a> ) and gemified.

As the lib/xmlrpc maintainer, I missed these issues. Sorry and thanks for handling them.

I handled issues I noticed (e.g. [#11489](#) 2 months ago) but I don't object that you maintain lib/xmlrpc as a gem.
