### Description

XMLRPC library is no longer maintain actively.

I removed broken parsers in Mar. 2016. This issue open at 2014. No one handle between 2014 and 2016.

- [https://bugs.ruby-lang.org/issues/9370](https://bugs.ruby-lang.org/issues/9370)
- [https://bugs.ruby-lang.org/issues/9369](https://bugs.ruby-lang.org/issues/9369)

We could not handle this gem, I propose to move XMLRPC to bundled gem from stdlib.

I prepared to make repository ( [http://github.com/hsbt/xmlrpc](http://github.com/hsbt/xmlrpc) ) and gemified.

As the lib/xmlrpc maintainer, I missed these issues. Sorry and thanks for handling them.
I handled issues I noticed (e.g. #11469 2 months ago) but I don't object that you maintain lib/xmlrpc as a gem.
