| Description <p>On cygwin, Feature #5994 doesn't seem to have been implemented. This can be confirmed with test/ruby/test_dir.rb (see the very end of this report), or even simpler, as follows:</p> <pre>duerst@Arnisee /cygdrive/c/Data/testCygwin \$ ruby -e 'Dir.mkdir("Matsumoto")'</pre> <pre>duerst@Arnisee /cygdrive/c/Data/testCygwin \$ ruby -e 'puts Dir.glob("Ma*to")'</pre> Matsumoto <pre>duerst@Arnisee /cygdrive/c/Data/testCygwin \$ ruby -e 'puts Dir.glob("ma*to")'</pre> <pre>duerst@Arnisee /cygdrive/c/Data/testCygwin \$ ruby -e 'puts Dir.glob("matsumoto")'</pre> matsumoto <p>The 4th execution shows the problem. Please note that the third execution is also strange.</p> <pre>\$ bin/ruby test/runner.rb test/ruby/test_dir.rb Run options: # Running tests: [10/23] TestDir#test_glob_cases = 0.11 s 1) Failure: TestDir#test_glob_cases [/cygdrive/c/Data/ruby/test/ruby/test_dir.rb:255]: [ruby-core:42469] [Feature #5994] Dir.glob should return the filename with actual cases on the filesystem. <["FileWithCases"]> expected but was <["filewithcases"]>.
