

Ruby trunk - Feature #12513

Update Unicode data to Unicode Version 9.0

06/22/2016 07:25 AM - duerst (Martin Dürst)

Status:	Closed
Priority:	Normal
Assignee:	duerst (Martin Dürst)
Target version:	
Description	
Unicode 9.0 was just published yesterday (see http://blog.unicode.org/2016/06/announcing-unicode-standard-version-90.html). Ruby should be updated to this newest version of Unicode. For details, please see http://unicode.org/versions/Unicode9.0.0/ , including http://unicode.org/versions/Unicode9.0.0/#Migration .	
[I may use this issue as a summary issue; in that case I'll create sub-issues for particular tasks.]
