

Ruby trunk - Misc #14210

maintain net/protocol, net/smtp, tempfile, tmpdir

12/21/2017 01:16 AM - normalperson (Eric Wong)

Status:	Assigned
Priority:	Normal
Assignee:	hsbt (Hiroshi SHIBATA)

Description

I use all of these and would be willing to maintain them if nobody else steps up.

I can probably maintain net/pop3, too, even though I don't currently use it.

Hopefully this isn't controversial since they're all maintained in trunk where I have commit permissions.
