

Ruby trunk - Feature #14316

Update Status Code classes

01/05/2018 01:54 PM - znz (Kazuhiro NISHIYAMA)

Status:	Closed
Priority:	Normal
Assignee:	
Target version:	2.6
Description In lib/net/http/responses.rb, some class names are old names. So I would like to update and add 103 Early Hints if no objection. see https://www.iana.org/assignments/http-status-codes/http-status-codes.xhtml	

Associated revisions

Revision 61633 - 01/06/2018 04:55 AM - znz (Kazuhiro NISHIYAMA)

Specify frozen_string_literal: true

Revision 61634 - 01/06/2018 04:55 AM - znz (Kazuhiro NISHIYAMA)

Add 103 Early Hints

see <https://www.iana.org/assignments/http-status-codes/http-status-codes.xhtml>

Revision 61635 - 01/06/2018 04:55 AM - znz (Kazuhiro NISHIYAMA)

Update Status Code

see <https://www.iana.org/assignments/http-status-codes/http-status-codes.xhtml>

History

#1 - 01/05/2018 02:32 PM - normalperson (Eric Wong)

zn@mbf.nifty.com wrote:

0001-Specify-frozen_string_literal-true.patch (697 Bytes)

0001 seems pointless, only strings in that file are literal hash keys and they are all frozen since 2.1

(I also wrote

<http://blade.nagaokaut.ac.jp/cgi-bin/scat.rb/ruby/ruby-talk/438693>

the other day)

0002-Add-103-Early-Hints.patch (1.11 KB)

Seems fine.

0003-Update-Status-Code.patch (3.93 KB)

Thank you for keeping old constants for compatibility. I guess new constants are nice for people reading current documentation; but they add cognitive overhead for users experienced with the old names :<

I wonder if we should slowly move towards using classes based on the numbers instead, and leave the unstable English phrasing out of our API...

#2 - 01/05/2018 08:57 PM - naruse (Yui NARUSE)

Looks fine.

Could you commit them?

0001-Specify-frozen_string_literal-true.patch (697 Bytes)

0001 seems pointless, only strings in that file are literal hash keys and they are all frozen since 2.1

This patch actually does nothing.
But it prevents that a future change accidentally adds mutable strings.
This change also fine to me.

#3 - 01/06/2018 04:58 AM - znz (Kazuhiro NISHIYAMA)

- Status changed from Open to Closed

I committed at r61633, r61634, r61635.

#4 - 01/11/2018 12:58 PM - znz (Kazuhiro NISHIYAMA)

I wonder if we should slowly move towards using classes based on the numbers instead, and leave the unstable English phrasing out of our API...

I think Net::HTTP::STATUS_CODES is added for such purpose.
