Description	
Forgot about this one. The file ruby/test_m17n_comb.rb will not run with "frozen string". I patched that, and also sped things up a bit (about a 30% drop in time). Test & assertion count remain the same.	
Patch is at https://github.com/MSP-Greg/ruby-loco/blob/master/patches/test-ruby-test_m17n_comb.rb.patch , also attached.	
Again, thanks, Greg
