

Ruby trunk - Bug #14646

Remove problematic separator '\0' of Dir.glob and Dir.[]

03/29/2018 03:52 AM - usa (Usaku NAKAMURA)

Status: Closed	
Priority: Normal	
Assignee:	
Target version:	
ruby -v:	Backport: 2.3: UNKNOWN, 2.4: UNKNOWN, 2.5: UNKNOWN
Description Dir.glob and Dir.[] accepts '\0' separated string as the parameter, but this feature is very problematic. Shouldn't we remove this feature for Ruby3 ?
