

## Ruby master - Bug #14885

### Is documenting-ruby a dead project?

06/30/2018 08:27 AM - znz (Kazuhiro NISHIYAMA)

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b>	
<b>Target version:</b>	
<b>ruby -v:</b>	<b>Backport:</b> 2.3: UNKNOWN, 2.4: UNKNOWN, 2.5: UNKNOWN
<b>Description</b> In <a href="#">Contributing Documentation section in doc/contributing.rdoc</a> links to documenting-ruby.org , but <a href="https://github.com/documenting-ruby/ruby">https://github.com/documenting-ruby/ruby</a> is about 3 years old. I think it is a dead project.  If so, I want to remove the link. And I think contributing documents to <a href="https://github.com/ruby/ruby">https://github.com/ruby/ruby</a> is better alternative.
