### Description

I found Integer doesn't have `try_convert` method, which converts the argument by `to_int` method without explicit conversions like `Integer()`. This is useful to treat an Integer-like argument like as methods written in C.

### Associated revisions

**Revision 301d194e - 07/16/2021 08:49 AM - nobu (Nobuyoshi Nakada)**

Add Integer.try_convert [Feature #15211]

### History

**#1 - 10/07/2018 09:23 AM - Hanmac (Hans Mackowiak)**

I don't know about the other `try_convert` how does Ruby react if you try to overwrite the `try_convert` from the ruby side? i suspect that currently it doesn't care, should that be changed?

**#2 - 08/13/2019 11:12 PM - jeremyevans0 (Jeremy Evans)**

- Backport deleted (2.3: UNKNOWN, 2.4: UNKNOWN, 2.5: UNKNOWN)
- Tracker changed from Bug to Feature

**#3 - 07/16/2021 08:50 AM - nobu (Nobuyoshi Nakada)**

- Status changed from Open to Closed

Applied in changeset [git/301d194ee3b49e6b078eccb999dd538e9bfa8c7c](https://github.com/nobu/ruby/tree/feature/Integer.try_convert).
