

Ruby trunk - Feature #15217

Add Resolv.current_resolver

10/08/2018 11:18 PM - christophe971 (Christophe Maximin)

Status: Open	
Priority: Normal	
Assignee:	
Target version:	
Description This allows us to have a per-thread default resolver. This change is backwards compatible and will not change the behavior of Resolv. This commit is also adding a bunch of missing specs for Resolv. https://github.com/ruby/ruby/pull/1978
