

Ruby trunk - Bug #15280

r65509 - bundler & make install, no CLI

11/03/2018 04:50 AM - MSP-Greg (Greg L)

Status:	Closed	
Priority:	Normal	
Assignee:	hsbt (Hiroshi SHIBATA)	
Target version:		
ruby -v:	ruby 2.6.0dev (2018-11-03 trunk 65510) [x64-mingw32]	Backport: 2.3: UNKNOWN, 2.4: UNKNOWN, 2.5: UNKNOWN
Description		
Something may be amiss with the addition of bundler and make install, as bundle(r) version is not working. Previously, I installed the bundler gem, and all was fine...		
If it's any help, the ruby-loco 7z file (ruby_trunk.7z) is available at: https://ci.appveyor.com/project/MSP-Greg/ruby-loco/builds/20019752/artifacts

This seems to only affect bundler, while bundle is working fine. May be similar to -rubygems and -rrubygems...

#3 - 11/19/2018 03:22 AM - hsbt (Hiroshi SHIBATA)

- Status changed from Assigned to Feedback

I couldn't reproduce them.

```
~/D/g/b/bundler (master) > ruby -v
ruby 2.6.0dev (2018-11-18 trunk 65790) +JIT [x86_64-darwin18]
~/D/g/b/bundler (master) > bundle version
Bundler version 2.0.0.pre.1 (2018-11-19 commit unknown)
~/D/g/b/bundler (master) > bundler version
Bundler version 2.0.0.pre.1 (2018-11-19 commit unknown)
```

#4 - 11/19/2018 04:25 AM - MSP-Greg (Greg L)

[hsbt \(Hiroshi SHIBATA\)](#)

Sorry, I should have added some more info. It's a Windows build, and there are three *.cmd files in bin:

```
bundle.cmd
bundle_ruby.cmd
bundler.cmd
```

bundler.cmd which doesn't work, has one 'ruby' line

```
load File.expand_path("../bundle", __FILE__)
```

Console:

```
PS C:\Greg\GitHub\rubygems> bundler env
Traceback (most recent call last):
  1: from C:/Greg/Ruby99-x64/bin/bundler.cmd:12:in `<main>'
C:/Greg/Ruby99-x64/bin/bundler.cmd:12:in `load': cannot load such file -- C:/Greg/Ruby99-x64/bin/bundle (LoadError)
```

bundle.cmd works, and has several lines of code. I can attached the two if it would be helpful.

Used ruby 2.6.0dev (2018-11-19 trunk 65793) [x64-mingw32] for this... thanks, Greg

#5 - 02/05/2019 12:40 PM - hsbt (Hiroshi SHIBATA)

- *Status changed from Feedback to Closed*

I believe this issue was fixed at [r66384](#)
