

Ruby master - Feature #15657

Make webrick to bundled gems

03/11/2019 12:12 PM - hsbt (Hiroshi SHIBATA)

Status:	Assigned	
Priority:	Normal	
Assignee:	hsbt (Hiroshi SHIBATA)	
Target version:		
Description		
The maintenance of webrick is hard for the ruby core team because we should handle a lot of security issues in the future. webrick was promoted the default gems in Ruby 2.5. It's a good time to promote the bundled gems from default gems before Ruby 3.0 release.
