

## Ruby master - Bug #16434

### rails c crashed

12/19/2019 02:19 PM - dmitry.malyk (Dmitry Malyk)

<b>Status:</b>	Third Party's Issue	
<b>Priority:</b>	Normal	
<b>Assignee:</b>		
<b>Target version:</b>		
<b>ruby -v:</b>	2.6.3	<b>Backport:</b> 2.5: UNKNOWN, 2.6: UNKNOWN
<b>Description</b>		
[NOTE] You may have encountered a bug in the Ruby interpreter or extension libraries. Bug reports are welcome. For details: <a href="https://www.ruby-lang.org/bugreport.html">https://www.ruby-lang.org/bugreport.html</a>		
[IMPORTANT] Don't forget to include the Crash Report log file under DiagnosticReports directory in bug reports.		

### History

#### #1 - 12/19/2019 02:31 PM - nobu (Nobuyoshi Nakada)

Although it is unclear without the backtrace by ruby itself, it seems caused by a wrong argument to `Mysql2::Client#connect`.  
<https://github.com/brianmario/mysql2/blob/785969fbceadd96d495ec9fecc67efee03d0056c/ext/mysql2/client.c#L438>  
That method seems to expect a Hash as 8th argument, but no check.

#### #2 - 12/19/2019 02:35 PM - mame (Yusuke Endoh)

- Status changed from Open to Third Party's Issue

Thank you for the report.

Maybe <https://github.com/brianmario/mysql2/issues/1075> seems related. Anyway, the issue seems to occur in mysql2 library. Could you ask them first?
