

Ruby master - Misc #16443

GC.compact is not documented

Status:	Open	
Priority:	Normal	
Assignee:	tenderlovmaking (Aaron Patterson)	
Description		
See https://docs.ruby-lang.org/en/master/GC.html#method-c-compact		
Typically, I'd just submit a documentation PR, but I am not sure I can properly explain what it does and when it should be used.
