

Ruby master - Feature #16489

Make `rb_warn_deprecated` a public API

01/09/2020 01:22 AM - mrkn (Kenta Murata)

Status: Open	
Priority: Normal	
Assignee:	
Target version:	
Description For extension libraries developers, <code>rb_warn_deprecated</code> should be useful to warn the API deprecation. How about make it a public API?
