Ruby master - Feature #17525
Implement Happy Eyeballs Version 2 (RFC8305) in Socket.tcp
01/10/2021 01:17 PM - Glass_saga (Masaki Matsushita)

Status: Open
Priority: Normal
Assignee: Glass_saga (Masaki Matsushita)
Target version: 3.1

Description
https://github.com/ruby/ruby/pull/4038

This change implements Happy Eyeballs Version 2 (RFC8305) in Socket.tcp. It enables fallback from IPv6 to IPv4 without a long waiting time.
