</tbody>
</table>

### Description

It is just a minor fixes about a typo in Array#min doc in array.c

It should be:

```ruby
min
returns one or more minimum...
```

[clipboard-202203031246-ehjlo.png](clipboard-202203031246-ehjlo.png)

I didn't know if it the way but I've already created a [PR](https://example.com/issue).
