Ruby master - Bug #1971
Segmentation fault in readline
08/21/2009 07:42 AM - mark-moseley (Mark Moseley)

Status: Closed
Priority: Normal
Assignee: 
Target version: 2.0.0
ruby -v: 1.9.2

Backport: 

Description
=begin
Following code from trunk, -r24602, segfaults in Linux 2.6.15.5:

require 'readline'
readline::readline("(rdb:1)", true)

I've narrowed this down to 8/20/09 change to ext/readline/readline.c, -r24594 (rl_prep_terminal() call)
If I back out the change, then it works properly.
=end

History
#1 - 08/21/2009 03:07 PM - naruse (Yui NARUSE)
- Status changed from Open to Closed
- % Done changed from 0 to 100

=begin
Applied in changeset r24604.
=end
