Ruby master - Bug #3574

Missing documentation for sprintf named argument support

07/15/2010 02:38 PM - phasis68 (Heesob Park)

Status: Closed
Priority: Normal
Assignee:
Target version: 2.0.0
ruby -v: ruby 1.9.3dev (2010-07-15 trunk 28645) [i386-mswin32_90]

Description
=begin
I noticed that sprintf supports named argument since 1.9.1.

But I cannot find any documentation about sprintf named argument support.

In my test, named argument works like this:

sprintf("%s %d %{first} %{second}",{:first=>'hello',:second=>8})   #=> "hello 8 hello 8"

Thanks.
=end
