

Ruby trunk - Bug #3600

HP-UX compilation

07/22/2010 07:54 PM - graza (Graham Agnew)

Status: Rejected	
Priority: Normal	
Assignee:	
Target version: 2.6	
ruby -v: ruby 1.9.2dev (2010-07-11 revision 28618) [ia64-hpux11.23]	Backport:
Description	
<pre>=begin Hi, I've had reasonable success with compiling 1.9.1 on HP-UX. But 1.9.2 has been problematic since preview3 came out. It seems the main issue is with threads. A very simple example (as follows) works fine on 1.9.1 but the thread never seems to start on 1.9.2-rc2. thr = Thread.new { puts "thr start"; sleep 1; puts "thr exit" } puts "main join" thr.join puts "main exit"</pre>	
Sometimes it blocks indefinitely, and when I press control-C to stop it, I get a bus error:	
<pre>try_thread.rb: [BUG] Bus Error ruby 1.9.2dev (2010-07-11 revision 28618) [ia64-hpux11.23] -- control frame ----- c:0001 p:0000 s:0002 b:0002 l:002708 d:002708 TOP</pre>	
[NOTE] You may have encountered a bug in the Ruby interpreter or extension libraries. Bug reports are welcome. For details: http://www.ruby-lang.org/bugreport.html	
Abort(coredump)	
Some other times I get a seg-fault. Can anyone point me to changes to threading in 1.9.2 so that I can investigate this more quickly and maybe find a solution?	
Thanks, Graham. =end	

History

#1 - 07/30/2010 01:22 AM - mame (Yusuke Endoh)

- Priority changed from Normal to 3

```
=begin
```

```
=end
```

#2 - 06/02/2011 09:47 AM - naruse (Yui NARUSE)

- Target version changed from 1.9.1 RC2 to 2.0.0

#3 - 06/26/2011 03:05 PM - naruse (Yui NARUSE)

- Status changed from Open to Feedback

Contribution is welcomed.

#4 - 10/30/2012 09:31 AM - ko1 (Koichi Sasada)

- *Target version changed from 2.0.0 to 2.6*

Please tell us if you have HP-UX.

#5 - 11/05/2012 10:53 PM - mame (Yusuke Endoh)

- *Status changed from Feedback to Rejected*

HP-UX is not supported. I'm sorry, but please create a patch yourself.
If you provide us the patch and it looks benign to other platforms, we may apply it to trunk.
