Ruby master - Feature #3939
Language of error message as English by default on Windows
10/13/2010 11:23 AM - phasis68 (Heesob Park)

Status:       Closed
Priority:     Normal
Assignee:     usa (Usaku NAKAMURA)
Target version: 2.0.0

Description
=begin
After r29450, the default system error message is English on Windows.

I wish the other modules using FormatMessage also be modified in order to get default English error message.

The remaining codes are dlc.c, thread_win32.c and win32ole.c.
=end

History
#1 - 10/13/2010 12:12 PM - usa (Usaku NAKAMURA)
   - Category changed from core to ext
   - Status changed from Open to Assigned
   - Assignee set to suke (Masaki Suketa)

=begin
I've changed thread_win32.c now.

Suketa-san, if you want to follow these experimental changes, do it.
If not, reject this ticket.
=end

#2 - 10/15/2010 10:57 PM - suke (Masaki Suketa)
   - Status changed from Assigned to Closed
   - % Done changed from 0 to 100

=begin
This issue was solved with changeset r29507.
Heesob, thank you for reporting this issue.
Your contribution to Ruby is greatly appreciated.
May Ruby be with you.
=end

#3 - 10/15/2010 11:02 PM - suke (Masaki Suketa)
   - Category changed from ext to core
   - Status changed from Closed to Assigned
   - Assignee changed from suke (Masaki Suketa) to usa (Usaku NAKAMURA)

=begin
I've changed win32ole.c now.
Nakamura-san, how about dln.c?
=end

#4 - 10/27/2010 03:05 PM - usa (Usaku NAKAMURA)
