

Backport192 - Backport #4114

make: * No rule to make target `config.rb', needed by `cygruby191.rc'. Stop.**

12/03/2010 07:47 PM - neomjp (neomjp neomjp)

Status:	Closed	
Priority:	Normal	
Assignee:	yugui (Yuki Sonoda)	
Description		
=begin While compiling ruby_1_9_2@30049 on cygwin: configure make ... make: *** No rule to make target config.rb', needed by cygruby191.rc'. Stop. This probably started happening after r30032 which backported r29421 from trunk. But r29421 contained a typo, which was corrected in r29425. So r29425 should be backported to ruby_1_9_2, too. =end

Luis Lavena proposed exactly the same patch to backport trunk r29425 in [ruby-core:33525], and it was committed in ruby_1_9_2 [r30137](#). Thanks.

This bug should be closed now (Duplicate, Resolved).
