

Ruby 1.8 - Bug #4156

Use RUBY_VERSION instead of VERSION in e2mmap.rb

12/14/2010 05:58 AM - trans (Thomas Sawyer)

Status:	Open
Priority:	Normal
Assignee:	keiju (Keiju Ishitsuka)
Target version:	Ruby 1.8.7
ruby -v:	ruby 1.8.7 (2010-01-10 patchlevel 249) [x86_64-linux]
Description =begin e2mmap.rb:fail "Use Ruby 1.1" if VERSION < "1.1" =end	

History

#1 - 11/19/2012 12:06 PM - zzak (Zachary Scott)

- File *e2mmap_version_check.patch* added
- Description updated
- Category set to *lib*
- Assignee set to *keiju (Keiju Ishitsuka)*

I've added Dan Barber's patch from github:
<https://github.com/ruby/ruby/pull/165>

Could this still apply to trunk?
