

Ruby trunk - Bug #4677

documentation updates 2011-05-12

05/13/2011 03:20 AM - vbatts (Vincent Batts)

Status:	Closed	
Priority:	Normal	
Assignee:	drbrain (Eric Hodel)	
Target version:	1.9.3	
ruby -v:	Thu May 12 14:17:22 EDT 2011	Backport:
Description		
per http://blog.segment7.net/2011/05/09/ruby-1-9-3-documentation-challenge		
The attached patch addresses the following items needing documentation, including the entirety of URI and subclasses/modules:		
<pre>class Regexp # in file re.c IGNORECASE = nil # in file re.c EXTENDED = nil # in file re.c MULTILINE = nil # in file re.c FIXEDENCODING = nil # in file re.c NOENCODING = nil end module Process # is documented # in file process.c WNOHANG = nil # in file process.c WUNTRACED = nil # in file process.c PRIO_PROCESS = nil # in file process.c PRIO_PGRP = nil # in file process.c PRIO_USER = nil # in file process.c RLIM_SAVED_MAX = nil # in file process.c RLIM_INFINITY = nil # in file process.c RLIM_SAVED_CUR = nil # in file process.c RLIMIT_AS = nil # in file process.c RLIMIT_CORE = nil # in file process.c RLIMIT_CPU = nil # in file process.c RLIMIT_DATA = nil # in file process.c RLIMIT_FSIZE = nil # in file process.c RLIMIT_MEMLOCK = nil # in file process.c RLIMIT_MSGQUEUE = nil # in file process.c RLIMIT_NICE = nil # in file process.c RLIMIT_NOFILE = nil</pre>		

```

# in file process.c
RLIMIT_NPROC = nil
# in file process.c
RLIMIT_RSS = nil
# in file process.c
RLIMIT_RT�RIO = nil
# in file process.c
RLIMIT_RTTIME = nil
# in file process.c
RLIMIT_SBSIZE = nil
# in file process.c
RLIMIT_SIGPENDING = nil
# in file process.c
RLIMIT_STACK = nil
end

This issue was solved with changeset [r31536](#).

Vincent, thank you for reporting this issue.

Your contribution to Ruby is greatly appreciated.

May Ruby be with you.

#2 - 05/13/2011 05:39 AM - drbrain (Eric Hodel)

For the re.c patch I moved the documentation above the constant definition. RDoc doesn't pick up documentation on the same line for C files.
