

Ruby trunk - Bug #4743

Adding documentation for Date formats

05/20/2011 04:42 AM - crnixon (Clinton Nixon)

Status: Closed	
Priority: Normal	
Assignee: drbrain (Eric Hodel)	
Target version: 1.9.3	
ruby -v: ruby 1.9.3dev (2011-05-20 trunk 31645) [x86_64-darwin10.7.0]	Backport:
Description Added documentation for all Date formats missing docs. I apologize for not having a good link or example for Date.jisx0301. Not being able to read Japanese, I couldn't quite figure out this standard (JIS X 0301). The lack of a link does not convey a lack of respect for the fine people of Japan or a lack of thanks for all they have given us with Ruby.
