

Ruby trunk - Feature #4818

Add method marshalable?

06/03/2011 11:07 AM - yimutang (Joey Zhou)

Status: Assigned	
Priority: Normal	
Assignee: matz (Yukihiko Matsumoto)	
Target version:	
Description	
Some objects can not be marshaled. Maybe there should be a method to tell it.	
hash = Hash.new { h,k k * 2}	
this hash can't be marshaled because it has a default proc. If existing such method:	
Marshal.marshalable?(hash) #=> method "Marshal.marshalable?"	
hash.marshalable? #=> method "Kernel#marshalable?"	
If you think the method name hard to spell, maybe get a synonym "dumpable?"	

History

#1 - 06/03/2011 01:34 PM - naruse (Yui NARUSE)

- Status changed from Open to Assigned
- Assignee set to matz (Yukihiko Matsumoto)

#2 - 06/04/2011 10:23 AM - austin (Austin Ziegler)
