

Ruby master - Bug #5228

Integer#round fails on some big negative numbers

08/25/2011 07:50 AM - marcandre (Marc-Andre Lafortune)

Status: Closed	
Priority: Normal	
Assignee: marcandre (Marc-Andre Lafortune)	
Target version: 1.9.3	
ruby -v: trunk	Backport:
Description	
Integer#round fails for some big negative numbers:	
<code>(+25 * 10⁷⁰).round(-71) # => 30...00</code>	
<code>(-25 * 10⁷⁰).round(-71) # => -20...00, should be -30...00</code>	

History
