- Status changed from Open to Third Party's Issue

ruby-mode is now a part of GNU Emacs so please report there.

The one we have is for older Emacs versions, like Emacs 21.

Perhaps the copy in the ruby source should just point to the emacs version? (And a bug report filed with the emacs guys.)

#3 - 12/27/2012 04:53 AM - dgutov (Dmitry Gutov)

Done in Emacs trunk.
