#### History

#1 - 01/05/2012 12:34 PM - kosaki (Motohiro KOSAKI)

- Status changed from Open to Rejected

You should contact gem developer, not us.

## #2 - 03/13/2012 11:53 PM - Anonymous

Could we please move ruby-debug19 into trunk ("bless" that gem)? I think it is a necessary aspect for MRI core functionality, and would be much better to keep in sync.
