

Ruby trunk - Bug #5948

Adding ZLib documentation

01/30/2012 10:01 PM - rafadc (Rafael de Castro)

Status:	Closed	Backport:
Priority:	Normal	
Assignee:	drbrain (Eric Hodel)	
Target version:	1.9.3	
ruby -v:	ruby 1.9.3p0 (2011-10-30 revision 33570) [i386-cygwin]	

Description

I added missing ZLib documentation and corrected some things that were there.

I reviewed original zlib.h file that is being wrapped by Zlib to find the meaning of some constants.

If there is anything that I can improv, please, do not hesitate to ask.

Thanks a lot.
