

Ruby master - Feature #6792

request for easier system properties access

07/26/2012 07:20 AM - rogerdpack (Roger Pack)

Target version:	
Description	
Before I forget about it, it would be nice for Ruby to have some way to access certain system properties more easily: require 'os'	
<pre>OS.bits => 32 OS.windows? => false OS.rss_bytes => 123456 OS.cpu_count => 5</pre>	
So this is a request for a helper class for such. Ex: https://github.com/rdp/os
