Ruby master - Bug #682
Rogue values bound to block parameters
10/25/2008 06:37 PM - dblack (David Black)

<table>

<tr>
<td>Target version:</td>
<td>2.0.0</td>
</tr>
<tr>
<td>ruby -v:</td>
<td></td>
</tr>
<tr>
<td>Backport:</td>
<td></td>
</tr>
</tbody>
</table>

Description
>=begin
Code:

```ruby
def block_args_unleashed
  yield(1,2,3,4,5)
end

block_args_unleashed do |a,b=1,*c,d,e|
  puts "Arguments:"
  p a,b,c,d,e
end
```

Output:

```
1
1
[3, 4]
5
"/usr/local/lib/ruby-1.9"  # <-- ???
```

b binds incorrectly, but this report is about e, which is bound to an irrelevant string.

Version:

```
ruby 1.9.0 (2008-10-25 revision 18859) [i386-darwin9.5.0]
```

History

#1 - 10/27/2008 10:37 PM - yugui (Yuki Sonoda)
- Status changed from Open to Closed
- % Done changed from 0 to 100

>=begin
Applied in changeset r19968.
