Ruby master - Bug #6889

Restore backwards compatibility of Net::HTTP

Description

=begin
In Ruby 1.9.3 and earlier net/http defines a constant (({Net::HTTPSession})) which is an alias of (({Net::HTTP})).

In r35761 for #6435 I accidentally moved the constant to (({Net::HTTP::HTTPSession})).

The attached patch restores net/http to pre-r35761 behavior.
