

## Ruby trunk - Feature #7060

### Broaden support for chmod

09/24/2012 03:10 AM - tonysidaway (Tony Sidaway)

<b>Status:</b> Open	
<b>Priority:</b> Normal	
<b>Assignee:</b>	
<b>Target version:</b>	
<b>Description</b>	
Currently file permission bit features in all Ruby versions include only chmod and (if supported by the target platform's C library) lchmod. lchmod is not supported by all platforms, but where it is not the Posix function fchmodat usually supplies similar functionality. Suggest that this be included.
