

Ruby trunk - Feature #7060

Broaden support for chmod

09/24/2012 03:10 AM - tonysidaway (Tony Sidaway)

Status: Open	
Priority: Normal	
Assignee:	
Target version:	
Description Currently file permission bit features in all Ruby versions include only chmod and (if supported by the target platform's C library) lchmod. lchmod is not supported by all platforms, but where it is not the Posix function fchmodat usually supplies similar functionality. Suggest that this be included. See http://pubs.opengroup.org/onlinepubs/9699919799/functions/chmod.html	

History

#1 - 11/20/2012 11:29 PM - mame (Yusuke Endoh)

- Target version set to 2.6

#2 - 12/25/2017 06:15 PM - naruse (Yui NARUSE)

- Target version deleted (2.6)
