

## Ruby trunk - Bug #7403

### TestWIN32OLE\_TYPE test failure on Windows 8

11/19/2012 10:20 PM - phasis68 (Heesob Park)

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b> suke (Masaki Suketa)	
<b>Target version:</b>	
<b>ruby -v:</b> ruby 2.0.0dev (2012-11-17 trunk 37691) [i386-mswin32_110]	<b>Backport:</b> 2.3: UNKNOWN, 2.4: UNKNOWN, 2.5: UNKNOWN
<b>Description</b>	
While I doing test-all, I noticed a failing test on Windows 8.	
test_implemented_ole_types(TestWIN32OLE_TYPE) [C:/work/snapshot/test/win32ole/test_win32ole_type.rb:176]: Expected /!ShellDispatch5(0,1)!\$/ to match "IShellDispatch6".	
Here is irb outputs for inspection: C:>:irb irb(main):001:0> require 'win32ole' => true irb(main):002:0> @ole_type = WIN32OLE_TYPE.new("Microsoft Shell Controls And Automation", "Shell") => # irb(main):003:0> ole_types = @ole_type.implemented_ole_types => [#]	
I think the line #176 assert_match(/!ShellDispatch5(0,1)!\$/, ole_types[0].name) should be modified something like assert_match(/!ShellDispatch\d{0,1)!\$/, ole_types[0].name)
