

## Ruby trunk - Bug #7498

### Optparse does not complete argument when used with :REQUIRED

12/03/2012 02:23 AM - Gondolin (Damien Robert)

<b>Status:</b> Rejected	
<b>Priority:</b> Normal	
<b>Assignee:</b> nobu (Nobuyoshi Nakada)	
<b>Target version:</b> 2.0.0	
<b>ruby -v:</b> ruby 1.9.3p327 (2012-11-10 revision 37606) [x86_64-linux]	<b>Backport:</b>
<b>Description</b> #!/usr/bin/env ruby require 'optparse'  OptionParser.new do  opts  opts.on(:REQUIRED, "--bug", ["foo", "bar"]) do  v  puts v end opts.on(:REQUIRED, "--nobug ARG", ["foo", "bar"]) do  v  puts v end end.parse!  ./bug.rb --bug b b ./bug.rb --nobug b bar  As you can see, using "--bug" with :REQUIRED but without specifying the obligatory argument name, the argument to "--bug" does not get completed to the value in the array.	

#### History

##### #1 - 12/21/2012 11:04 PM - usa (Usaku NAKAMURA)

- Status changed from Open to Assigned
- Assignee set to nobu (Nobuyoshi Nakada)
- Target version set to 2.0.0

##### #2 - 12/26/2012 05:47 AM - nobu (Nobuyoshi Nakada)

- Status changed from Assigned to Rejected

Option name string has to come first.  
Put :REQUIRED after "--bug".
