Ruby master - Bug #7692

Enumerator::Lazy#drop_while and take_while should require a block.

01/14/2013 04:33 PM - marcandre (Marc-Andre Lafortune)

Status: Closed
Priority: Normal
Assignee: marcandre (Marc-Andre Lafortune)
Target version: 2.0.0
ruby -v: r38800

Description

Enumerator::Lazy#drop_while and take_while should require a block.

Currently:

[1].lazy.drop_while.force # => LocalJumpError: no block given
[1].lazy.take_while.force # => LocalJumpError: no block given

After patch, these will raise an ArgumentError "tried to call lazy drop_while without a block"
