## Add RubySpec-related targets to the list make help outputs

### Description

```ruby
The patch adds RubySpec-related targets to the list make help shows. It wasn't obvious for me initially that there are make targets for rubyspec, and I hope this will make RubySpec targets a little bit more visible.

Patch is against trunk.
```

### History

**#1 - 12/13/2008 10:27 PM - yugui (Yuki Sonoda)**

- Status changed from Open to Closed
- % Done changed from 0 to 100

```
Applied in changeset r20725.
```
