

Ruby trunk - Bug #8745

Add documentation for RSS::Utils

08/07/2013 03:31 AM - steveklabnik (Steve Klabnik)

Status:	Closed	
Priority:	Normal	
Assignee:	zzak (Zachary Scott)	
Target version:		
ruby -v:	2.1.0-dev	Backport: 1.9.3: UNKNOWN, 2.0.0: UNKNOWN
Description		
This adds both top-level as well as method-level documentation for RSS::Utils.

History

#1 - 08/07/2013 03:56 AM - steveklabnik (Steve Klabnik)

- File 0001-Add-documentation-for-RSS-Utils.patch added

I have attached a better patch that explains an edge case of an extra method, as well as fixes indentation for code samples.

#2 - 08/07/2013 04:05 AM - zzak (Zachary Scott)

I like the non-instance_eval example better, it is more clear

#3 - 08/07/2013 04:05 AM - zzak (Zachary Scott)

- Status changed from Open to Assigned

#4 - 08/07/2013 04:07 AM - steveklabnik (Steve Klabnik)

Sure thing, whatever you think is best :)

I think that since 0 is a special case, we can get away with one level of indirection.

#5 - 08/07/2013 07:46 AM - zzak (Zachary Scott)

- Status changed from Assigned to Closed

- % Done changed from 0 to 100

This issue was solved with changeset [r42415](#).

Steve, thank you for reporting this issue.

Your contribution to Ruby is greatly appreciated.

May Ruby be with you.
