

## Ruby trunk - Bug #8745

### Add documentation for RSS::Utils

08/07/2013 03:31 AM - steveklabnik (Steve Klabnik)

<b>Status:</b>	Closed	
<b>Priority:</b>	Normal	
<b>Assignee:</b>	zzak (Zachary Scott)	
<b>Target version:</b>		
<b>ruby -v:</b>	2.1.0-dev	<b>Backport:</b> 1.9.3: UNKNOWN, 2.0.0: UNKNOWN
<b>Description</b>		
This adds both top-level as well as method-level documentation for RSS::Utils.

#### History

##### #1 - 08/07/2013 03:56 AM - steveklabnik (Steve Klabnik)

- File 0001-Add-documentation-for-RSS-Utils.patch added

I have attached a better patch that explains an edge case of an extra method, as well as fixes indentation for code samples.

##### #2 - 08/07/2013 04:05 AM - zzak (Zachary Scott)

I like the non-instance\_eval example better, it is more clear

##### #3 - 08/07/2013 04:05 AM - zzak (Zachary Scott)

- Status changed from Open to Assigned

##### #4 - 08/07/2013 04:07 AM - steveklabnik (Steve Klabnik)

Sure thing, whatever you think is best :)

I think that since 0 is a special case, we can get away with one level of indirection.

**#5 - 08/07/2013 07:46 AM - zzak (Zachary Scott)**

- Status changed from Assigned to Closed

- % Done changed from 0 to 100

This issue was solved with changeset [r42415](#).

Steve, thank you for reporting this issue.

Your contribution to Ruby is greatly appreciated.

May Ruby be with you.
