##### Revision 55b93007 - 10/31/2013 02:31 PM - usa (Usaku NAKAMURA)

merge revision(s) 41808: [Backport #9066]

- \* ext/openssl/openssl\_pkey\_ec.c: Ensure compatibility to builds of OpenSSL with OPENSSL\_NO\_EC2M defined, but OPENSSL\_NO\_EC not defined.
- \* test/openssl/test\_pkey\_ec.rb: Iterate over built-in curves (and assert their non-emptiness!) instead of hard-coding them, as this may cause problems with respect to the different availability of individual curves in individual OpenSSL builds. [ruby-core:54881] [Bug #8384]  
Thanks to Vit Ondruch for providing the patch!
