Status: Closed
Priority: Normal
Assignee: 
Target version: 
ruby -v: ruby 2.0.0p0 (2013-02-24 revision 39474) [i686-linux]
Backport: 1.9.3: UNKNOWN, 2.0.0: UNKNOWN

Description

This regexp is removing 's' characters from the string

```ruby
irb(main):091:0> "fdsa-f fdas5_-423432".gsub /[\_\W]/i, "
=> "fdaffda5423432"
```

While this is not:

```ruby
irb(main):092:0> "fdsa-f fdas5_-423432".gsub /[\W]/, "
=> "fdsaffdas5423432"
```

```ruby
irb(main):093:0> "fdsa-f fdas5-423432".gsub /[0-9a-z]/i, "
=> "fdsaffdas5423432"
```
