**Description**

Related issue: [https://bugs.ruby-lang.org/issues/9525](https://bugs.ruby-lang.org/issues/9525)

This problem is a big issue for Fluentd. We hope to backport this commit to Latest Rubies.

**Related issues:**

Related to Ruby master - Bug #9525: Stuck with `Socket.pack_sockaddr_in` | Closed

- Status changed from Open to Closed

This ticket will be handled by Bug#9525.

**#3 - 07/13/2016 07:12 AM - mariakatosvich (maria katosvich)**

We met this trouble with Fluentd [https://github.com/fluent/fluentd](https://github.com/fluent/fluentd).

Fluentd is sometimes stuck at `Socket.pack_sockaddr_in` line on shutdown. Here is the gist [https://gist.github.com/sonots/9047653](https://gist.github.com/sonots/9047653) to explain details.

Thanks
