

## Ruby master - Bug #9876

### IRB::Context output\_method is not used

05/29/2014 05:26 AM - ghazel (Greg Hazel)

<b>Status:</b> Assigned	
<b>Priority:</b> Normal	
<b>Assignee:</b> keiju (Keiju Ishitsuka)	
<b>Target version:</b>	
<b>ruby -v:</b> 2.0.0p451	<b>Backport:</b> 2.0.0: UNKNOWN, 2.1: UNKNOWN
<b>Description</b> IRB::Context takes an optional output_method, but it is never used. IRB::Irb.output_value, and IRB::Irb.eval_input call print / printf directly, which always goes to STDOUT.
